

The TMI Update

A Monthly Newsletter Written by the Toronto Montessori Institute

After observing a heart dissection lesson, TMI alumna Lisa Eastick is even more enthusiastic to complete her Elementary training with the Elementary II (9 through 12) component of the Elementary I & II (6 through 12) Diploma Programme.

If you would like to join her in Upper Elementary training this summer, please contact True Macedo at tmi@tmsschool.ca.

**We are still accepting enrolment for our Summer Mode diploma programs!
Study theory and methodology in 7 weeks over the summer ready for practice
teaching during the school year!**

Our students are returning from their practice teaching placements. All students are now preparing to present their Culminating Oral Exam. This final group presentation is a parent education piece that calls students to promote the Montessori approach in light of current research and educational trends. Our students leave TMI prepared to promote Montessori education in your schools and communities.
