

TMI is proud to welcome Dianne Murphy to the TMI Team!

TMI will offer an Early Childhood Summer Mode program at a satellite campus in the west end of the GTA commencing July 2014.

We are proud to welcome Dianne Murphy to the TMI Team to lead this initiative as coordinator. As many of you are aware, Dianne developed, directed and taught in the Montessori E.C.E. program at Sheridan College. She has also been an active participant in the MACTE accreditation program for teacher education centres, serving as a team member and leader on accreditation visits in the U.S.A., Ireland, Mexico and South Africa.

Work has begun to ensure that this new offering will maintain the high quality that defines teacher training at TMI and ensures the success of our graduates in obtaining rewarding positions. Regardless of campus, we are committed to the preparation of outstanding Montessori teachers and always doing more than just meeting the expectations and needs of our adult learners.

The satellite initiative will also serve as a pilot project reflecting our desire to provide TMI's high quality Montessori Teacher Training to other locations in Canada and beyond in the years to come. This exciting step in providing progressive Montessori teacher training exemplifies TMI's mission to be responsive to needs of the Montessori Community.

Be part of TMI's exciting new developments and expand your Montessori teaching credentials.
